

Ultimate Cage Fighting in Kentucky

Congratulations to our fighters who took it to Kentucky. Jeremy Whitmore was not able to fight, since his opponent backed out during the weigh-ins. Vamana won by TKO after gaining full mount and pounding out his opponent, Brian White.

A special congrats to Buck Grant, who cross-trains with MMAI from Hybrid Academy. He won by TKO after a sick knee to the head of his opponent, Marcio Silva, an American Top Team black belt.

We are proud of our guys who train hard and compete among the elite.
